To: Parties Interested in Request for Qualifications for On-Call Land Surveying, Right-of-Way, Civil Engineering, and Construction Management Services

From: Matt Lampa, Principal Civil Engineer

Subject: **RESPONSE TO QUESTIONS #2**

Dear Prospective Proposer,

Thank you for your interest in the RFQ for On-Call Land Survey, Right-of-Way, Civil Engineering, and Construction Management Services. A Response to Questions was posted to the Connector JPA website on October 28, 2022 and can be viewed at [www.connectorjpa.net](http://www.connectorjpa.net).

We have received additional questions on the RFQ and below are the JPA responses. The request for clarification period closed at 4:00 p.m. on November 2, 2022 and no further questions will be answered. This Response to Questions does not extend the deadline for submission of proposals for this solicitation. The deadline for receipt of proposals remains no later than **4:00 p.m. on Friday November 18, 2022.**

**Questions from Prospective Proposers:**

1. *Can consultants submit an SOQ as a prime consultant and also be a subconsultant to another firm?*

**Yes.**

2. *How many firms do you expect to select for the land survey category?*

**There is no predetermined number of firms to be selected for any of the services outlined in the RFQ.**

3. *How many task orders do you expect to issue annually for the land survey category?*

**The total number of task orders is unknown as it depends on project schedules and available budget.**

4. *Will there be a minimum task order amount?*

**No.**

5. *Will field survey work be subject to prevailing wages?*

**Yes.**

**JPA BOARD OF DIRECTORS**

6. *How many prospective proposers do you have so far?*

**This solicitation has been publicly advertised and the number of prospective bidders is unknown.**

7. *If selected under the on-call contract, are firms precluded from pursuing future projects that may be advertised separately by the JPA as individual procurements?*

**No**
