**SUBJECT: CAPITAL SOUTHEAST CONNECTOR  
PROJECT APPLICATION FOR LPP COMPETITIVE GRANT PROGRAM**

Dear Ms. Bransen,

The Sacramento Transportation Authority, as the taxing authority and the eligible applicant, and the Capital SouthEast Connector Joint Powers Authority, as the implementing agency, are pleased to submit the Capital SouthEast Connector project application for the 2018 Local Partnership Program Competitive Grant Program. The Cities of Elk Grove and Folsom and the County of Sacramento are also project partners and support and endorse this application.

The STA Governing Board authorized and approved the application on January 11, 2018 (executed action attached). Since the STA is submitting multiple applications, the Governing Board also prioritized its projects as required. The Capital SouthEast Connector was ranked as the highest-priority and first out of six excellent projects nominated in Sacramento County.

Enclosed are two bound copies of the application. An electronic copy was also emailed to [LPP@catc.ca.gov](mailto:LPP@catc.ca.gov). If there is anything else you need, please do not hesitate to contact me or Derek Minnema at the Connector JPA directly by phone at (916) 876-9092 or via email at [minnemad@connectorjpa.net](mailto:minnemad@connectorjpa.net).

We look forward to a favorable response from the Commission to our application.

Sincerely,
